RÉSUMÉ

— I'm the former President of the United States of America. And I'm sure I was the best President. In fact I'm the most successful person ever to run for the presidency, by far. Nobody's ever been more successful than me. Only I know how to make America great again! Sorry losers and haters, but my IQ is one of the highest - and you all know it! Please don't feel so stupid or insecure, it's not your fault.
